Launching Store

Launch Your Online Store in Just 30 Seconds

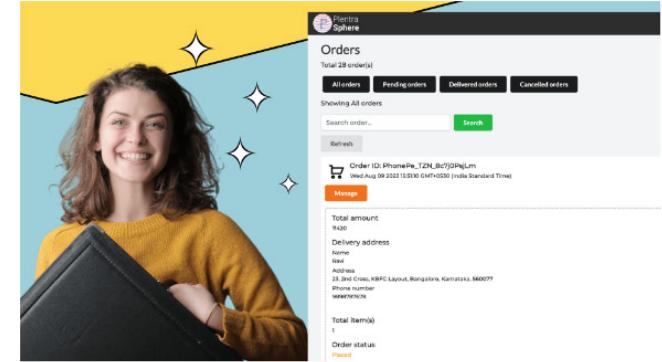

Step 1

Start by signing up or logging in with your Plentra Sphere account. It's a quick and hassle-free process, taking just a few seconds.

Step 2

Create your online store by providing essential details such as the store name, icon image, store type, and subdomain name. Tailor it to your brand identity, ensuring it stands out uniquely.

Step 3

Manage your online store effortlessly with our intuitive control panel. From inventory management to order processing, everything is at your fingertips.
